For more information and to download a HEAT application, visit our web site at: http://community.utah.gov/heat (all lower case)		

This year, three counties in Utah will participate in a year-round demonstration HEAT Program. This is only a demonstration program, **not a permanent program**. This is a trial program to determine its effectiveness. Those nine counties are listed above. Persons living in these counties may apply for HEAT assistance one time during the period of: November 1, 2006 through September 30, 2007.
